WINTER IN YELLOWSTONE

Yellowstone National Park in winter offers 2 major attractions — plentiful wildlife and plentiful scenery. A major attraction of America's most fabulous national park during a snow — season trip, aside from the strikingly beautiful, untracked, empty character of a high altitude forested countryside, is the strange, eerie quality of the familiary thermal features of the park. The cold, crips air adds to the intensity of such well known names as Old Faithful, Castle, Rainbow and Riverside geysers, and the heavy clouds rising over pools and rivers provide an even more "unreal" feeling to a "world apart."

WYOMING DATA HANDBOOK 1985

Prepared by:
DEPARTMENT OF ADMINISTRATION AND FISCAL CONTROL

DIVISION OF RESEARCH AND STATISTICS

7th Edition
Cheyenne, Wyoming
1985

PUBLICATIONS AVAILABLE FROM
RESEARCH AND STATISTICS DIVISION

Wyoming Cost of Living Index, news release, quarterly

Wyoming Income and Employment Report, annual
Wyoming Population and Employment Forecast Report, annual
Wyoming Sales Tax Report, annual

WYOMING
EXECUTIVE DEPARTMENT
CHEYENNE

ED HERSCHLER
GOVERNOR

December 8, 1985

The 1985 edition of the Wyoming Data Handbook provides the people of Wyoming with an invaluable source of information about our State. Statistics on demography, business and industry, government, natural resources, and outdoor activities are included.

I recommend this handbook to anyone interested in learning more detailed information about the Great State of Wyoming.

Ed Herschler
Governor

LEE GALEOTOS
DAFC Director
1971 - 1975

J.R. "KIRK" COULTER
DAFC Director
1975 - 1978

DEDICATION

This the 7th edition of the Wyoming Data Handbook is dedicated to the three directors that have served the Department of Administration and Fiscal Control since its inception. Each has been a unique and different personality lending his style to the development of the Department and this Division.

SIDNEY C. WERNER
DAFC Director
1978 - Present

TABLE OF CONTENTS

Introduction

State Information

Demography 1
Population, Vital Statistics, Employment, Income

Business and Industry 13
Gross State Product, Consumer Price Index, Unemployment, Employment, Income, Wages, Corporate Activity, Selected Data by Industrial Sector: Agriculture, Mining, Manufacturing, Construction, Transportation, Communications and Public Utilities, Finance, Services, Trade

Government 74
Revenues, Expenditures, Bonded Indebtedness, Employment, Income, Education, Health and Medical Services, Election Results, Legislative Reapportionment and Composition

Resources 90
Land Ownership, Acreage, Water Resources, Assessed Value, Wildlife Harvest, Fish Production and Planting, National Area Visitation, National Forests, State Park Locations, Ski Areas, Game and Fish Licenses

County Information 107
Location of Counties, Selected Statistics, Employment, Income, Agriculture, Revenue Sharing, Education, Land Ownership

Index 178

INTRODUCTION

The seventh edition of the Wyoming Data Handbook is a collection of demographic, economic, and physical data concerning the State. Through the use of various state and federal agency publications, unpublished files, and other sources, the Division has provided the reader with the most current data available. Many of the tables and charts in this edition contain data showing historical series of five, ten or in some cases 20 years or better. Information which is no longer timely or relevant has been deleted, while new or supporting information has been added. Data sources, in most cases, have been referenced immediately following the respective table(s). The county summary sheets were not referenced due to the number of different sources utilized.

The Division of Research and Statistics hopes that this 1985 Handbook will prove to be as useful a reference tool as past editions have. Response to previous editions of the Handbook and inquiries concerning the new edition have been very favorable. As always, the Division welcomes any comments and suggestions. Additional copies of the 1985 Wyoming Data Handbook may be obtained from the Department of Administration and Fiscal Control, Research and Statistics Division, Room 302 Emerson Building, Cheyenne, Wyoming 82002-0060.

STATE INFORMATION

DEMOGRAPHY

The demography section contains information on the characteristics of Wyoming's people. Most tables provide the statistics by counties as well as State totals and averages. This edition relies heavily on the use of 1980 Census data because of the timeliness of this information. Except for census years, the figures on population are estimates provided by the agency referenced at the end of the table. Employment and income data are also estimates. The vital statistics are the result of enumeration of local records. All figures are reported in calendar years.

WYOMING COST OF LIVING INDEX
(WCLI)

The WCLI annual inflation rates presented are based on changes in the prices of 139 items in the largest city in each county of Wyoming. Each price is compared to the price of that same item in the corresponding quarter of a year ago. The WCLI uses a similar weighting system to that used by the National Consumer Price Index (CPI) and adjusts all prices depending on population in each town and region. In the second quarter 1983 a change was made to a rental equivalency approach for home ownership to more closely resemble changes made by the CPI.

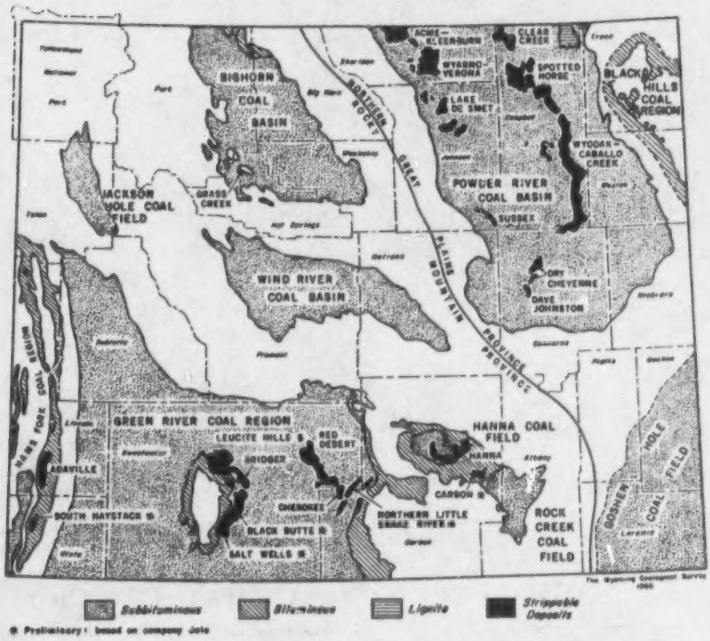
WYOMING COAL-BEARING AREAS



ESTIMATED ORIGINAL IDENTIFIED COAL RESOURCES IN WYOMING BY MAJOR COAL-BEARING AREA AND RANK
(in millions of short tons)

COAL-BEARING AREA	BITUMINOUS	SUBBITUMINOUS	TOTAL
Powder River Coal Basin		110,218.95	110,218.95
Green River Coal Region	9,904.84	7,207.29	17,112.13
Hams Fork Coal Region	3,197.68	1,676.86	4,874.54
Hanna Coal Field	2,167.14	1,749.82	3,916.96
Wind River Coal Basin		1,025.79	1,025.79
Bighorn Coal Basin	17.90	563.78	581.68
Rock Creek Coal Field		305.18	305.18
Jackson Hole Coal Field		121.49	121.49
Black Hills Coal Region	41.09		41.09
TOTAL	15,328.65	122,869.16	138,197.81*

* The identified resources only include mapped and explored coals between 0-3,000 feet of cover. When an estimate of undiscovered and hypothetical resources between 0-6,000 feet of cover is added, the State's original resources increase to approximately one trillion tons.

NOTE: There has never been an estimate of the coal resources of the Goshen Hole Coal Field

Uinta	1,525.75	523.23	2,048.98	22.42
Washakie		88.21	88.21	L/2
Weston	39.94	285.37	325.31	12.43
Miscellaneous/3 Tonnage				1.05
TOTAL	15,328.65	122,869.16	138,197.81/4	1,277.69

1-Sources: U.S. Geological Survey, U.S. Bureau of Mines, and Department of Revenue and Taxation/Ad Valorem Division
2-L means less than 200 tons
3-Most of this tonnage was reported during various years in the 1800's and early 1900's, but was not recorded by county
4-All these resources occur between 0-3,000 feet of cover

TRANSPORTATION, COMMUNICATIONS AND PUBLIC UTILITIES

The Transportation Section includes data on vehicle registrations, accident statistics, traffic flow patterns, railroad lines, and bus service routes. Included in the Communications Section is Wyoming newspapers, radio and television stations in the State and telephone and telegraph companies servicing Wyoming. Data included under Public Utilities includes the location and capacity of electric generating plants in the State, rural electric cooperatives and associations, and public and privately owned public utilities in Wyoming. The source of the information is given after each table or entry.

GOVERNMENT

This section covers both State and local governments. Revenue, expenditure and bonded indebtedness facts have been included to measure the fiscal health of the various governmental units. Employment statistics are presented for all jurisdictions. A separate table on employment in the executive branch of State government covers full time employees working during a particular month of the year cited. The section also includes information on selected public services such as education, social services and medical care. In the case of higher education, enrollment figures are reported for both the University and Community Colleges.
